

The figure displays a 6x4 grid of 24 10x10 grids, each containing a different 10x10 grid of colored squares. The colors used are blue, green, yellow, red, purple, orange, pink, and white. Each 10x10 grid is a unique arrangement of these colors, representing a different 10x10 grid.

The image displays a 5x4 grid of 20 individual 10x10 grids. Each grid contains a unique pattern of colored squares. The colors used are blue, purple, yellow, orange, green, red, pink, and white. The patterns vary significantly, showing different arrangements of these colors across the 10x10 space. Some patterns form solid shapes, while others are more fragmented or sparse.
